

# MONIMAX 8700ST

Value delivered

## Brand new full function ATM Monimax 8700ST

**Makes a “real” difference in your Total Cost of Ownership**

**Unsurpassed Flexibility.** Monimax 8700ST offers multiple options from cash dispensing, to cash deposit and cash recycling. All 5 cassettes can be operated independently in dispense, deposit or recycling mode to enable optimum utilization of the cassettes for an effective ATM operation based on the environment.

**EFFICIENT-to-operate Solution.** Monimax 8700ST is engineered with reliability that proves highest availability and its optimal performance. Monimax 8700ST is powered by the latest cash recycling technology as well as improved fraud prevention technology. Furthermore, Monimax 8700ST helps financial institutions to increase the benefits of cash optimization in branch.

**EASY-to-maintain Solution.** Monimax 8700ST is configured for greater serviceability that reduces service frequency and lowers maintenance costs. Monimax 8700ST offers better visibility and accessibility to units that make repair services easy and quick. Paired with Hyosung TNS monitoring software 'Monimanager', financial institutions enable to do more efficient preventive maintenance on their ATMs

**GREAT Value-added Solution.** With 15"/ 19" touch screen, the modern and sleek design of Monimax 8700ST allows more intuitive user interface and effective marketing. Monimax 8700ST presents great usability that fulfills transaction with ease and convenience by leveraging the latest technology such as contactless, biometric, mobile-payment, and so on. In addition, the Monimax 8700ST' green technology provides more value to customers and drives down costs.

 **HYOSUNG TNS**

**Also available on lobby version (Monimax 8700S)**

Hyosung is dedicated to making technology work for the humans who use it. We provide solutions that simply work better and more intuitively. Every ATM product, service and support system is engineered to be reliable and flexible. We listen to our customers and constantly improve our offerings to reflect their input. We bring that innovation to banking. It is this commitment to Human Technology that has made us a dependable partner and global leader in the ever-changing world of banking.
